Overview

A multi-stakeholder IMEDS Steering Committee (SC) will provide strategic guidance on the IMEDS program.

IMEDS Steering Committee Responsibilities

1. Provide strategic oversight to ensure the IMEDS program is achieving its objectives and producing high quality results, and help to define overall program goals.
2. Recommend opportunities to expand our partnerships and develop a collaborative model.
3. Identify potential risks and opportunities and advise the Foundation on ways to ensure the long-term sustainability of the program
4. Recommend external communication strategies to further transparency of IMEDS activities and findings to the public.
5. Advise the Foundation on the IMEDS governance structure, i.e., ad hoc project committees.
6. Evaluate any conflict of interest issues escalated by the IMEDS Program Team and recommend management plans as appropriate.
7. Adjudicate disagreements among the study team should they arise or appoint an ad hoc group of experts to do so.
8. Nominate IMEDS Steering Committee members to replace departing members (subject to RUF Board approval).
